Dear Parents/Carers

**Re: Parents Questionnaire November 2009**

Parental input is essential in the process of school evaluation. The evidence we collect helps to determine the priorities for the year ahead and the longer term.

For the process to be effective, we require the participation of all our parents and carers. Attached is a 'Questionnaire for Parents', which we would like ALL of you to complete.

Your opinions do count and many of the changes which have occurred over the last few years have been driven by your views. We do take your views seriously and would encourage you to complete the questionnaire and so take an active part in the school's future progress.

Please return the questionnaire to the class teacher or the box in the school office by Friday 20<sup>th</sup> November.

Your help in this matter is greatly received.

Yours Sincerely

Helen Williams

Head Teacher
