Parent consultations.

Monday evening is Parent Consultation time. The teachers would like to share your child's progress with you. If you cannot make an appointment on Monday then please see your child's teacher for an alternative opportunity.

Pedestrians

All children and parents walking to school should enter the grounds by the front gate. It is dangerous to enter or exit on foot via the Car Park entrance. Keep safe. A driver entering and leaving the school site has impaired vision due to the walls. Don't put yourself or our children at risk.

The Car Park

It has been a while since I have received complaints but yet again they have started! Can I remind everyone that the hatched spaces are for staff and the disabled spaces for disabled drivers. The rest are for staff first and foremost but there are spare spaces which parents may use. However, please park sensibly in the demarcated spaces—one car = one space please. Also this is possibly the only school in the town that allows parents to park on school site so please don't abuse it! Please enter and leave the site SLOWLY and with CAUTION to avoid children. NO DOUBLE PARKING. If you respect these rules, all will be fine. If not then the car park may cease to be available to parents. Cars cannot park on the yellow lines outside school or the Police will issue warnings or even fines. Please act responsibly.

Thank you for your contributions to Cheryl Searson's leaving gift. We bought her some Willow statues to remember us by and some flowers. We wish her every happiness in the future.

Parent Notice Board

Miss Frost has put up a parent's noticeboard outside her classroom. If parents wish to put any comments there about anything, Miss Frost says she will help to liaise with and for you.
