

Can I remind everyone that if your child is not at school we need to know why please. We have to let the DCSF know the reasons for all absences in our monthly returns. If you telephone and leave a message on the answer phone that is fine. Thank you.

Staffing news.

Congratulations to Miss Michelle Frost on gaining a teaching appointment in Leicestershire. We have now appointed a full team of staff for next year and the school will benefit from the varied skills and strengths of the team.

As we near the end of term we are collecting for leaving gifts for Mrs. Jane MacDonald, Miss Theresa Emmins and Miss Michelle Frost. If any parent wishes to make a donation towards any of these then please put your contribution in an envelope with the name of the teacher it is for. It can then go to the Office. Thank you.

Hilltop

Although we are now past the date for reserving a place, we can still take a few more. If you wish to book a place can the £10 booking fee and form be taken to the office as soon as possible. The residential trip is for next year's Key Stage 2 (our current year 2,3,4 and 5) The trip is Wednesday March 11th to Friday March 13th 2009.

Flora.

We have registered for the latest collection of vouchers. Flora are putting vouchers in their tubs which you then have to input on the internet site. Unfortunately the school is set up as Rowlett and we are unable to change this. Staff have already registered some vouchers. If you get any and cannot register them, please bring them in and we will put them on the internet for you.

Events and trips.

Lots of things are now scheduled to take place before the end of term. We hope you or your child can take part in these enrichment activities. The trip to Hunstanton is for the children and staff with assistance from a few additional adults will supervise the children. Several parents have asked if they can go but we only have the two buses going. We will fill them, however. Some parents have asked to go by car but this makes supervision difficult for the teachers and affects educational visit risk assessments and insurances.
