Wonderful Reading Mornings

Our reading mornings have been creating a great deal of interest lately. It's wonderful to see so many parents coming into school to read with the children. There is a lovely buzz of activity in class 1 and 2 on a Thursday morning, long may it continue. A huge thanks to all those who have joined us so far.

School Council Valentines Fund Raiser

♥ To raise funds the school council will be selling Candy Messages on Friday 13th February. Children will be able to send a message and some sweets to a person of their choice. The message will be made and delivered by the school council. Candy Messages cost just 30p.

Procedures for Administering Medicines

If your child requires medicines that are prescribed by a doctor, for example antibiotics, we are able to administer them as long as we have signed consent from a parent.

If your child needs medicines please bring the labeled medicine to the office where it will be stored and administered by Mrs. Sandy, Mrs. Rotherham or Mrs. H Williams.

We **do not** require children who are on antibiotics to be kept at home. If you wish to know more please speak to a member of the office team.

Activities to do with your children

Scrap Booking is an excellent way to record memories. This can be done with all ages.

Stick photos into a scrap book and ask your child to draw what happened next.

Write simple sentences under the photo saying where you were or what you did.

When on holiday get your child to keep a journal in photographs or write what they did each day.

Not only do these give a record of the day but they are also wonderful to look back on in years to come.

An extract from Travelling Through Time,
by Rachel Sheen

Sam stumbled over something small on the ground. It was a little book of some kind. He picked it up and decided to look inside. As he turned it's wrinkled cover, Sam found that he was in a place he couldn't recognise, still with the book in his hands.

Sam had travelled back to the past, or to the future.
