

Old Village Wall Hanging

Carole Miles, Artist in Residence, has begun working with the school on our wall hanging. Each child will have an opportunity to design and make a square panel that reflects their feelings about the Old Village. Next week residents from Willowbrook House will become involved with the project and will be designing panels. If you wish to have a go at making a panel, just pop into school. Packs will be available from Wednesday. This is a great opportunity to get involved with a community arts project.

Summer Weather

Last week we sent out a letter about sun lotion and sun hats. Thank you to all those who have responded. We still have quite a few reply slips outstanding. If you need a duplicate letter please let the office know.

It is very important that we keep our children safe in the sun. during the summer there are huge opportunities for outdoor teaching it is important that we take the appropriate precautions.

Lateness

There have been an increasing number of pupils late for school. Children need to be in school by the close of registration at 9.00. If children are late they miss the beginning of lessons and it is then difficult for them to catch up with the learning. Children need to be here on time otherwise it puts the child at a disadvantage.

School Meals

Our new school meals service is going down very well; with a significant improvement in the quality of food the children receive. Can I remind everyone that meals need to be ordered the Monday of the week before if through the office, or the Wednesday online.

School Memories by Chloe Hendry

On the first day I learnt to work and play

On the last day I will cry but be ok

All subjects Science, Maths, English too

My whole school life I can't believe its true.

All trips so much fun

So sad it will be done.

Sports Days, Christmas shows also,

I don't want to let it go.

Reading, writing everyday

I've come a long way

All the people come and gone

Mrs Dredge here for very long.
