

Dear Parents and Guardians,

As you may know, Macmillan Cancer Support is holding a nationwide coffee morning on Friday 28th September.

As the School Council, we thought it would be a good idea for our school to join in and raise money for this important organisation. We plan to hold a coffee morning and cake sale for parents after the Celebration Assembly, when the children have returned to class. The Council members will then hold a cake sale at playtime for the children. There may be another sale after school if there are still cakes left from the morning.

We would like to ask for your help. It would be lovely if you could bring cakes to school on the morning of the sale. Children could bring some money to buy the cakes and all of the proceeds will be sent to Macmillan Cancer Support.

We would be very grateful for your help and support and hope we can work together to make a difference for everyone affected by cancer.

Many thanks,

School Council members.
