

Dear Parents

It is with deep sadness that I write to inform you that, Ann Searson, our School Crossing Patrol has had to leave her position with immediate effect due to medical reasons.

Ann has been at Corby Old Village for over 18 years and in that time has been our lollipop lady and school cleaner. She will remain with us for her cleaning position daily, however will be missed by all parents and children on the school crossing.

There is a collection in the school office, if you would like to contribute towards a gift for Ann.

Unfortunately, several years ago Northamptonshire County Council made the decision not to extend the School Crossing provision and that when the officers in post retired or left their positions they would not be replaced. Therefore, I am sorry to say there will no longer be a lollipop person on the crossing in the mornings or afternoons.

Please make sure your children are aware of this and that they know how to cross the road safely.

Yours sincerely

Paula Thomas  
Head Teacher
