

# Parent Survey Results 2017-18

Thank you to the 50 families who completed the survey. This will be an annual survey enabling you to give us your feedback thus allowing us to focus our school development priorities onto the issues that you feel are important. We are extremely grateful for the ongoing positive feedback which we receive during the year. If you have further comments or suggestions to make, then do contact a staff member or one of the parent governors. We'd love to hear from you.
