

Dear Parent/Carer

On Thursday 4th July, the School Nurse will be leading a session on puberty with children in Year 5. This will involve a brief introduction, a talk about the changes that they will see, an activity where they will draw or write about the changes that they think will happen to them during puberty and finally a Powerpoint presentation showing body parts, how they change and the correct words for these parts of the body.

As with all aspects of education, we do encourage parents and children to discuss matters openly, to develop children's understanding.

If you are in any way concerned about the content of the talk, or wish to view the Powerpoint presentation or see the Governor's Policy on sex education; please do not hesitate to contact Miss Thomas or one of us.

Please return the slip below as soon as possible, indicating whether or not you give your consent for your child to take part in this session.

Yours sincerely
Miss B Rotherham
