

Dear Parent,

As a result of continuing rising costs for schools, our School Governors have agreed that it has become necessary to increase the prices that we charge for Breakfast Club and After School Clubs from next half term.

Breakfast Club will increase from £2.00 to £2.50 per day and places will need to be booked and paid for in advance through the School Office. This must be done by the Friday preceding the week that you wish to book for. If your child attends and a place has not been pre-booked, the cost will be £3.00 per day. Please refrain from sending your child without payment unless otherwise agreed with the School Office.

After School Clubs will increase from £2.50 to £3.00 per day and these will still be booked and paid for in the same way as they are currently.

These changes will come into effect from week commencing 24th February 2020.

Yours sincerely

Miss Paula Thomas
Head Teacher
