

27Jan 2020

Dear Parent/Carer,

This morning at Corby Old Village Primary School I performed a guitar assembly to the children to give them a short / brief introduction to the instrument. This was a great experience for me and I hope the children enjoyed the demonstration too.

I am now writing to you regarding possible guitar tuition for the pupils. I currently have some availability for pupils to take part in guitar lessons at Corby Old Village Primary. Below are some details regarding the lessons;

Sessions would take place on a weekly basis during school time.
Lesson duration is usually half hour but can be reduced to twenty minutes (depending on personal preference).

Prices for 30 minute lessons are as follows;
individual lessons (£10.50) or group lessons (£6.50).

Prices for 20 minutes lessons;
Individual (£8) Group sessions (£5)

Initially group sessions would be carried out in pairs however, if numbers of interested pupils are large then larger groups may be organised.

Guitars of varying sizes are supplied if needed. Please feel free to bring your own instrument if you already have one.

If you would like your child to begin lessons please contact the school office.

Invoices can then be sent out at the beginning of each term. Payment is via cash/cheque.

If you have any more questions then please feel free to contact me on;

07999414979 or jfinch5@hotmail.com

Yours faithfully,

James Finch (BA Hons)
