

Dear Parents

On Wednesday 29<sup>th</sup> January, we have arranged for Science Off the Page to visit us in Year 4.

They will be running a 'Predators and Prey' science activity day, which is designed to be thought-provoking, challenging, fun and to consolidate work already undertaken in class.

There will be various activities taking place throughout the day.

We do require two extra adult helpers on the day, so if you would like to share in your child's learning, please complete the slip below.

Yours sincerely

Miss P Thomas  
Head Teacher
