

Paid meals are £2.40

Dear Parents/Carers

Welcome to your Autumn/Winter 2020 menu

I think it is safe to say this year has been a very strange year due to coronavirus, as we all return to school things will be different to what we are all used to.

To begin with some schools have opted for lunch boxes only where social distancing in school is difficult, hopefully after a few weeks' things can return to a new kind of normal. Please check with your school which provision they will be providing.

Our aim as well as your school is to provide a safe, controlled service which keeps everyone safe.

Any alterations will be posted on our Facebook page Love Food JM LTD

For safety reasons we do ask that wherever possible you book online if your school has chosen this facility or email if your school is not using the online booking system, we do not want paper copy orders please. If you need log in details either email us or ask your school for these details.

For online schools, the loading of menu's for September cannot be done until our schools have moved classes electronically, we will inform everyone when booking is open online.

For non-online schools you can send your bookings in as soon as you can please.

Please ensure you have booked your child's meal for when we return after the break, even if your child is Universal free school meals or Free school meals as if a child turns up to lunch with no order booked they will not be given the meal of the day as this is cooked to order, they will be given a lunch bag that is available which makes it hard for our staff when the child wants the main meal but there isn't a meal booked for them. We have made it extremely easy to order and our online system lets you order up to midnight the night before or if your school is not online you can hand your order in to your school. We cannot accept orders after 9.00 am and you cannot place an order without a payment accompanying the order.

Please remember that payment is required with each order, if we have no payment then we will request a payment or ask you to provide an alternative meal for your child. For online ordering if your account is in debt we will contact you to clear this debt, if it is not cleared as agreed we will block booking until payment is made.

For schools using the online system, we can not accept bank transfers, please book using the online booking system.

If your child has a dietary requirement please email the office for one of our specialist menus and a dietary requirement form, please note we can not feed your child a special menu until we have this completed form. We also have a vegan menu available.

Kind regards
