

Dear Parents/Carers

We are so sorry that we find ourselves in the position of having to move learning online again for most children.

We understand that this is not ideal and that it can be challenging for both children and their parents and we are here to support you in any way that we can.

If your child is already set up on Tapestry (YR) or Teams (Y1-Y6), work will be available on there for them to complete and return to the class teachers.

If you cannot access these systems and have not yet let us know, please contact office@covs.northants.sch.uk as soon as possible and we can either help to get you set up or will arrange an alternative solution.

We will try and make contact with yourself and your child via telephone as regularly as we can, so please make sure you update us if you change your telephone number.

If we are given any further guidance or information on the current situation, we will contact you.

In the meantime, we would like to thank you for your patience and understanding during this incredibly difficult time.

Yours sincerely

Miss Paula Thomas
Headteacher
