

Corby Old Village Primary School

REGISTER OF INTERESTS SEPTEMBER 2020– AUGUST 2021

All schools are required to maintain a register of business interests of members of the governing body.

Governors are required to divulge areas where they have or could have any direct or indirect pecuniary interest in any contract, proposed contract or other matter affecting the school.

A governor shall be treated as having indirectly a pecuniary interest in a contract or other matter if, he/she is in the employment of a person, or a company or other body, which has or could have, any direct interest in any matter of the Governing Body.

In the case of married persons the interest of one spouse shall be deemed to be also the interest of the other.

If a governor has any pecuniary interest in any matter under consideration at a meeting of the governing body, he/she should disclose that fact and not take part in the discussion, or vote on any issue.

There are many social connections, such as friends and relations, membership of clubs, societies or trade unions that can sometimes influence governors judgements. These should be declared at the appropriate time.
